A Hands-on-Training Workshop

May 15th to May 19th 2023

Organized by

**Shri B. V. Patel Education Trust
Ahmedabad
And**

**SICART –CVM,
Vallabh Vidyanagar**

BACKGROUND AND OBJECTIVES

Hands-on Training on 'Advanced Chromatographic Techniques' is a collaborative effort of Shri B.V. Patel Education Trust (BVPET) and SICART-CVM as a part of its Continuing Education (CE) programme.

Advanced chromatographic techniques encompasses collection of techniques like GC, GC-MS, GC-HS used in analysis of raw materials, APIs and formulations and also in herbal drugs specially thermolabile compounds. LC-MS technique helps in analysis as well as identification of the compound/molecules.

Training will be conducted by experts in Research in Academia and Industry.

The objective of this training is to help participants acquaint themselves with dynamic aspects of Chromatography exploration with chromatograms, which they can apply in their research work as well as in their academic institutions and Industries. Theory as well as practical exposure to the various approaches will provide a learning platform and familiarize participants with the diverse aspects of the field.
